holy the lightning infuses night,
Rumbles / flashes / defies bright –
Crackles / forks / makes hearts quiver,
Promises spring to frozen rivers.

Sage spirit with spider silk strength,
Intentional / invisible / go whatever lengths –
Holds to goals / unmask tropes,
Finds lost dreams / insights / hope.

Quick witted / contagious laughter,
Animal kinships / celestial rafters –
Motivated / energized / underlined,
Only fairytale more magically timed.

Traffic thickens / planes queue,
Unbelievable already come true –
Key the themes identity / immanence,
With what future you choose resonance.
