The forest's shawl concealed the Lake,
Wilderness shoreline without a break –
Water clear to the sand rock bottom,
Sunken logs, Lilies, Moon in Autumn.

Welcoming and cared-for as any cabin gets,
Navajo rugs, paintings, the place a vignette –
Rafters raised high, Village Blues,
Curtains, stone fireplace, mantel clues.

patient, meticulous, highly critical,
Compassionate, mysterious, analytical –
Worried for the Children, worried for the World,
Worried for every strain of Life ever swirled.

Not being under any illusion,
“Great Gooغامooga, it’s a ball of confusion” –
What’s “Love One Another” look like for Real?
What’s going on here? What’s the deal?
