

Elizabeth

FIERY words stunning order,
You hear her long down the CORRIDOR,
Undoing rules disproving assumptions –
Gossips say of all the gumption.

SUNNY daylight disposition,
Setting PRIORITIES matching conditions,
Laid back enthusiastic energized –
On time by clock interiorized.

CREATIVE thoughtful caring leadership,
Winning smile planetary trip –
Beneath the surface everything new,
Radical revision of Being You.

LOVES perfection a golden heart,
Listening skills inscrutable art –
If this garden you taste well,
Needs attention you can tell.
