Defying categories, escaping concepts,
Still wet flagstones await your steps –
From Crossroads to the Garden Gate,
Gift of a voice in Humanity's fate.

Altruistic Heart / telling dreams,
Taking up what the story means –
Appropriate boundaries / exceedingly kind,
Problem solving, changeable Mind.

Graced with tenacity / imagination skills,
You've a Love could cure Time's ills –
A list of reasons to stand and dance,
Talk, vote, heal our circumstance.

Snow Moon beset with difficulties,
Nature provides you synchronicities –
All good things take work and time,
Long nights even mountains to climb.
