

Karl

AFTER rain for days on end,
In a stillness as rivers bend –
Sunlight rafters through evening shades,
Underground to treetops trust cascades.

hEALER, dreamer, unabashed SAVIOR,
Friends take note your altruistic behavior –
To the point, by leaps and bounds,
Salvaging ideals, what seemed lost found.

SERVING others in your lifelong dance,
Deeply engaged with happenstance –
Earth rejoiced when music found you,
Compassionate, motivated, déjà vu.

SPIRITUAL principles, purpose, vision,
Patriarchy scoffs at your chosen mission –
Hymn to the Universe, song for Creation,
Gift from divine imagination.
