

Mia

Crossing meadows stirring sleep,
The chance a dream is known to keep –
Out of the box relationships,
Cosmos flowers at your fingertips.

Kindness persuades the mirrors face,
Given to Creation a nook in Space –
Chosen role, Self-determining part,
Changing everything courageous art.

Marianne Spirit, Chopin Mind,
Idealist, Visionary, come unsigned –
Altruistic reasons, words unspoken,
What child ever thought it could be so broken.

In your eyes the Planet's our Mother,
We could feed the Hungry, Serve One Another –
It'll take great Honesty, Saturn suggests,
For Humanity to pass the up-coming tests.
