

Com

O iaphanous wings, cascading breeze,
Shifting sands, rocking trees –
Ubiquitous, invisible, inseparably entwined,
Setting things in motion, common good in Mind.

I ntelligent, altruistic, a Human Being,
That the World needs Change, profoundly agreeing –
Prefiguring epiphany in the Anthropocene.
Becoming the Species we were meant to mean.

h elpful, kind, existentially artistic,
Informed, thoughtful, above all Realistic –
Aligning with the evidence and our best literature,
Opting for the Aquarius Age Woodstock cure.

I n 2025 however, the times go untoward,
Instead of Serving Others, threatening overlords –
As for the Children, what we're leaving them,
Yes. Turn on the Light, please. This is mayhem.
