Inspiring the Clouds to do their tricks,
Milkweed and Dragonfly join the mix –
Spiritual Archetype, the sacred Wind,
Spends Time with us, Oogs chime in.

Idealist Heart, optimistic Sign,
Generous, gift-giving, down-to-Earth Kind –
Changing Minds, waving wheat fields,
Helping get Eden's Gates unsealed.

Imaginative, rebellious, Changing Essence,
Stabilizing, melodic, there-for-you Presence –
Saint André cheese and fresh baguette,
On Joyous Responsible he placed his bet.

A lot to say and it needs to be said,
How things could be, a how-to instead –
Your thinking hosts a virtual infinity,
Even understanding masculinity.
