Message from the Referent arrived,
Wonder it read beginning survived –
Not just another point in time,
Links with stories epic rhymes.

Spinoza Buber Einsteinian wealth,
Spends lots of time learning self –
Loves libraries museums light of moon,
Foresaken passages call of the loon.

What he ponders to make real?
With possibility's broken seal –
Let's talk it's storming outside,
What to concretize what decide.

Mindful of the puzzle pieces,
Careful as a teacher teaches,
Always wanting to know a bit more –
Hearing knocking opens the door.
