

MARCIA

Speaking volumes with just a look,
Down to business by the book –
Even on weekends at the lake,
Work and laptop magic make.

MORNING tea, STRAWBERRY soufflés,
Outlining the picture / mapping the maze –
Human warmth / naturally vulnerable,
Earth lover, touch incredible.

FACTS matter / you get things done,
Soft rain shower, Summer Sun –
Family storytelling, porch swing times,
Quiet minutes, birdsongs, chimes.

What's Real for you is the actual Person,
Our Nest, the Children, the historic immersion –
As you choose Truth, by Saturn's account,
Every obstacle surely surmount.
