OTTOO & DE STO SAME OF A JUM

Stars might picture you at the fair,

Clectrifying the ground, exciting the air —

Weighing the claims against the actual,

In the in-between, the everyday factual.

Reason and Equality ver your thinking,
Evidence and honesty inspired linking –
All skills needed for what's happening here,
Glancing to the sides, no World more dear.

Jightning bolt out a Summer shower,

Proverbial speaking Truth to power –

Distoric issues, systemic inequity,

Culture, ethics, telling it explicitly.

Undrous the entry your Life writing,
What everyone sees you clearly inviting –
Uinds of Change, sacred whorls,
Grain of sand turn galactic pearl.
