

Anais

Mystery, choices, dice tossed,
At the soirée when paths cross –
Offering friendship, thought from the Sea,
Eyes and voice for what could be.

Artful the problem solving that you bring,
Wild idea/ Forest Spring –
Smiles, spontaneity, sparkling laughter,
Unexpected forever after.

Sure to say what's on your mind,
Doing it your way underlined –
Forward moving from the break of day,
White water river play.

Can do anything/ could happen now,
Freedom from these chains somehow –
In a World without honesty/ equality/ balance,
Love has never really been given a chance.
