

# Bono

**F**lorist bouquets forest flower,  
In an iamyouforyou hour –  
Practicality and french perfume,  
Enchanted gardener circular room.

**T**rillium shadow moonlight cast,  
Call of loon come at last,  
Quiet except for settling dew –  
Wildplaces midnight blue.

**O**bjectivations at our throat,  
Free market quote unquote –  
Earth exhausted bearing her task,  
Seeing you inspired to ask.

**D**epending on your premises,  
Responsibility strength promises,  
Canst under take steep mountain climbing –  
Accountability clock chiming.
