

# Chiara

**M**orning soft mountain meadow,  
Night retreating into shadow,  
Pathway grasses pearl stream –  
Cool logic fiery moon.

**A**daptive spirit skilled hands,  
Flowing narratives warm motherlands –  
Loving family eternal imaginary,  
Home a galactic estuary.

**C**omplex post-modern espresso talk,  
Long hours work ticking clocks –  
Sorbonne streets veiled in fog,  
Black coral diamond dialogue.

**N**estkeeper direct and sweet,  
Where storytelling and make real meet –  
Carved in the gate bleached by the sun,  
Be yourself/rule number one.
