Meadow river silken clouds,
Wandering fields summer vowed –
Chagall morning forest afternoon,
Dialogical pathway petal strewn.

Cobblestone street evening walk,
Candlelight table dinner talk –
Emerald stories / undried tears,
Edge of dream garden nears.

Assertive / practical / gifts show and tell,
Humanity at crossroads heaven or hell –
One would take us to what you're about,
A touch of hand dissolves all doubt.

Saturn admits it's risky difficult,
Love guarantees solely one result –
In moments / messages / every face,
Closer the world's eternal trace.
