Quiet the place Earth keeps for you,
Misty meadows morning dew,
Sumer home sandhill crane –
Lark ascending tender name.

Alyssum bordered stepping stones,
Forest pathways one goes alone,
Words to take the mirror captive –
Responsible practical adaptive.

Breakfast table Saturday talk,
London memory Sunday walks,
Surely making a serious turn –
Mind to hear the garden yearn.

Sad-eyed stories distressing weather,
Art of putting the picture together –
Aware the score the ultimate price,
Remove the lock on Paradise.
