**F**orest green sky rose,  
Morning glories slowly close,  
Twilight gathers peacock calls –  
No river too wide mountain tall.

**A**t desk our protagonist,  
Story lovers pathway twists –  
Stares through window bites lip,  
Uncommon complex relationship.

**B**ouquets words untold dimensions,  
Garden mind homemaking intentions –  
Compassion logic non-contradiction,  
Beautiful reality stranger than fiction.

**E**verybody knows the pipes broken,  
How from unhappy dream be woken –  
What father not risk rule bending,  
For peace on earth fairytale ending.
