Skyscraper canyons ancient caves,
Beneath the surface below the waves –
Complex dynamic situation,
Possibilities in concentration.

Global traveler dream stranger,
Friend writer word arranger –
Her imaginary only she limits,
Venturous thoughts mythic visits.

Deciphering signs narratives books,
Summer lover telling looks –
Takes the initiative dares question,
Sensitive habitual introspection.

Puzzle solving moonlight thinking,
America a miracle linking –
Difficult parts the presentation,
Nitty-gritty incarnation.
