

Michael

In the arms dark vaulting hardwoods,
Nominee for kitchen sainthood –
Talks with houseplants just a rumor,
Pragmatic / persevering / sense of humor.

Sticks to goals / holds close friends,
Every delight petals pretend –
Feels the hummingbird's fragrant desire,
Burns with dahlia's unquenchable fire.

Echoing the choices ancestral scene,
Vermillion kisses / gray sateen –
On the grounds relationship matters,
As sabers rattle / glass shatters.

In the shadows the very watchtower,
A minute before the daybreak hour –
All the magic you'll ever need,
Comes gift wrapped in your deeds.
