

Roland

Known to happen out of the blue,
World leans close to talk with you –
Glass a moment would be MIRROR,
Another's face wet with TEAR.

Adept with words presentations,
Latest upgrades communications –
Abstract realities intellectual hands,
Multi-dimensional wondrous lands.

Innovative adaptive seriously logical,
Reader WRITER pedagogical –
Loved by children a family man,
Bedtime STORIES best any can.

Must be more than what we see,
No reason they say for this to be –
From time to time could seem magic,
Life TRANSITIONS from edge of TRAGIC.
