RIVER walks in autumn court you,
Surround your Heart, help it through –
Dusk, imagination and history in play,
Crossing the Great Water Hexagrams say.

About home and more for certain,
Cosmic theater, stage with no curtain –
Hushing leaves, gift wrapped day,
Real friendship finding a way.

For all that Science understands the scene,
No way to measure what relationships mean –
Dramatic, confident, mysterious spellcaster,
Rainstorm lover, puzzle master.

Facing this Patriarchal Pathway's end,
Encountering polarization refusing to mend –
Saturn suggests what we likely need,
Genuine clarity as to where things lead.
