

Sting

Ultra-rational post-modern sphinx,
Living networks invisible links –
Setting suns Paris rooftops,
World begins madness stops.

Tricky ending fabulous start,
Stellar mothermorphic art –
Lambs fool judges gavel,
In the end the case unravel.

Oream segment well-meaning mind,
Magister ludi entertwine –
Self similarities unfold the question,
Truthful can't forget to mention.

Now the passage final conclusion –
Its your judgment self allusion,
Where we fit in this emergent rhyme,
Equality and freedom the finish line?
